CLARIFICATION TO NEWS RELEASE 11-056

(FRANKFORT, Ky.) – In News Release 11-056 (School Meal Access Expanded for Children in Need), please note the following clarification:

In order for Kentucky school districts to be eligible for the Community Eligibility Option, they must have one or more schools that have 40 percent or more of students eligible for free meals through direct certification in the Supplemental Nutrition Assistance Program (SNAP), formerly known as the Food Stamp Program, and the Kentucky Transitional Assistance Program (K-TAP).

Also, please note that four school districts were inadvertently left off the list of eligible districts in News Release 11-056. Those four districts are:

- Bowling Green Independent
- Breckinridge County
- Morgan County
- Shelby County

Please see the attachment for a revised version of News Release 11-056.
